

Dear STUDENTathlete,

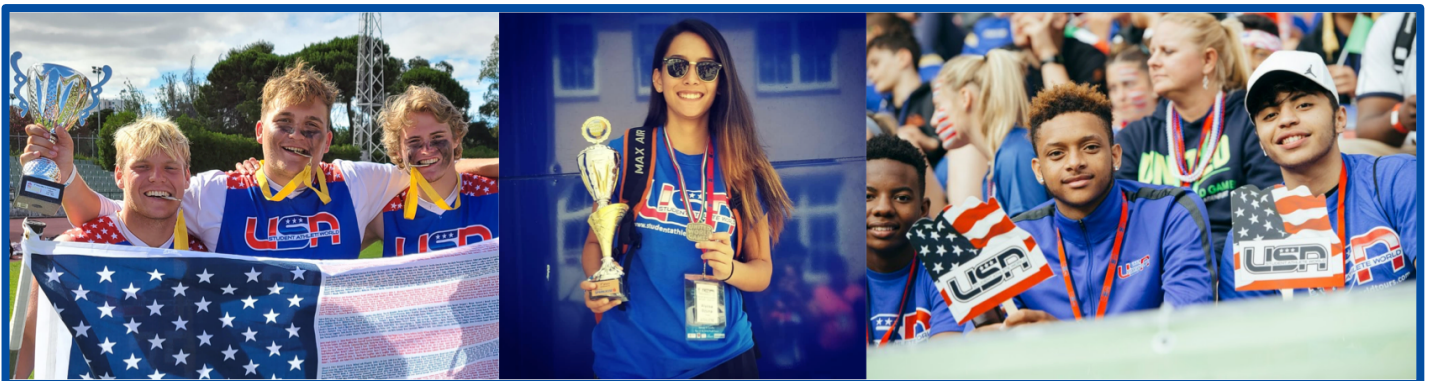

You have been recommended as an athlete with the potential to represent the USA on a once-in-a-lifetime International Tour combining playing the sport you love with International travel. We are currently filling our teams with talented, dedicated, and high character athletes like YOU for our **SAWUSA International Tours**.

Our tours are typically one of the highlights of our traveler's sport careers. However, the purpose and mission of STUDENTathleteWorld (SAWUSA) is about much more than just sports. Our tours are designed to promote athletic development along with education, cultural appreciation, World perspective, patriotism, leadership development, personal growth, family bonding, and fun. You can read more about that on our website. Basically, we like to think of it like this...

***WE WANT YOU TO GROW AS A PERSON AND HELP MAKE THE WORLD A BETTER PLACE,
ALL WHILE DOING THE 'COOLEST THING YOU'VE EVER DONE!'***

MORE INFO? I'd encourage you to go to our website (STUDENTathleteWorld.com) and do some initial research. We've been doing tours like this since 2006 and have sent thousands of travelers overseas. It is a unique and amazing experience that you will remember for the rest of your life. While on our website, please look through our past traveler testimonials, pictures, videos, travel blogs, etc. Our thousands of past travelers can explain in their words what this unique opportunity has meant to them.

HOW DOES IT ALL WORK? To get started you need to **create a free application on our website**. Following the steps you will build a profile, upload a highlight video and a letter of recommendation from a teacher or coach, and finally complete a video interview with our staff. Since we are representing the USA, we are looking for more than just good athletes. We look for high character students that are good leaders and come from good families (yes, parents can come along too).
